## ABOUT

Gokarna is a temple town as well as a tourist destination. People come from all over the world to Gokarna to experience its culture, beautiful beaches, and harmony. It is traditional and has strong spiritual beliefs; you can see people dressed in traditional attire all over the city for their morning worships. The push to Gokarna is scenic, with rocky mountains and the Western Ghats on one side and the Arabian Sea on the other. Because it has so many clean beaches and clear water that is unpolluted, expect an extremely calming and serene vibe here.
